### Verse 1:

          C          Am  
When you look at me, my heart breathes  
          C          Am  
When I see your eyes, my heart smiles

### Chorus:

      F          C  
I'll never get over  
      G          Am  
I'll never recover  
      F          C  
I am your lover  
      G          Am  
And you are my lover  
      F          G      C  
And I come so easily undone

### Verse 2:

When you speak that way my heart caves  
When I hear your voice you silence all the noise

### Bridge:

Dm          G  
Undone, undone
