© Mark and Sarah Tillman

Verse 1:

Am F
When the day is long
C G
And tomorrow's even longer
Am F
When the storm is strong
C G
And tomorrow's even stronger
Am F
When my heart is weak
C G
And it can barely beat

Pre-Chorus:

F G
I don't speak, I sing X2

Chorus:

C G F
I sing my spirit up to you
C G F
It's all I know how to do

Verse 2:

Down in the depths
I unearth your goodness
Below the despair
My heart finds you there
When my lungs are weak
And I can barely breathe
